Forecast for Sunday 04 Jun 2023

Weather: Low cloud across the north and east of the area at first along with some coastal ranges in the west, this gradually burning off through the morning. Otherwise it will be a dry day with plenty of strong sunshine.

Chance of cloud-free hill tops above 800m: 50% this morning, best chance inland across Sutherland and Wester Ross. Cloud above the tops this afternoon.

Low cloud and visibility: Poor in morning low cloud down to 200 metres at first, this dispersing through the morning. Otherwise very good visibility and good air clarity with any cloud above the summits in the afternoon.
